

NUMBOTS

PARENT GUIDE

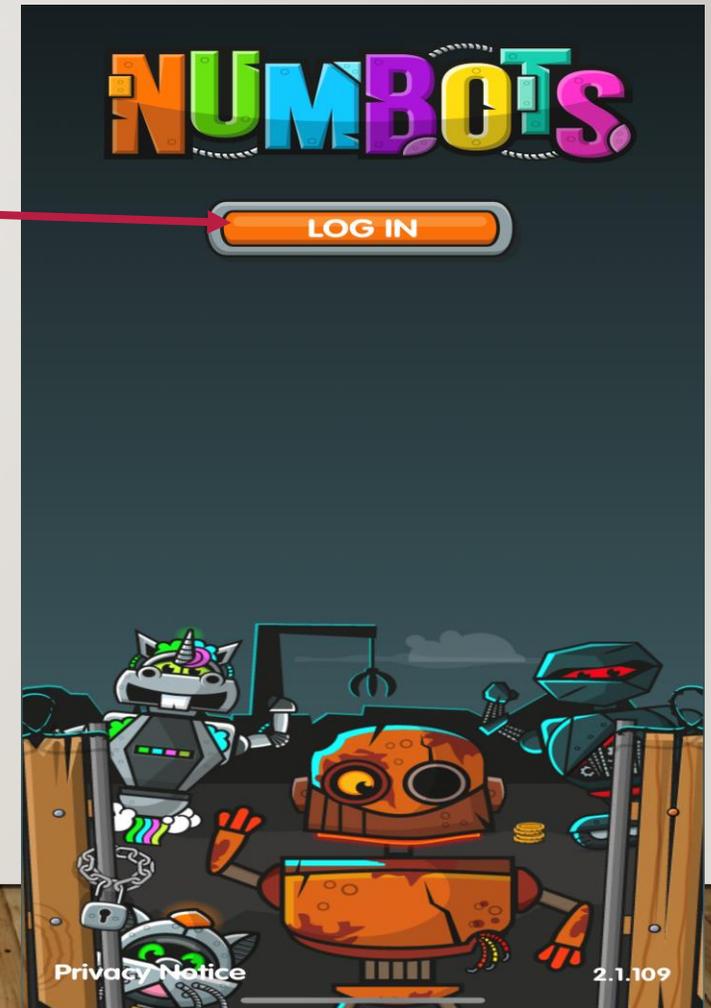

WHERE TO FIND NUMBOTS

- You can download Numbots from the Apple Store and Google Play Store for free.
- You can also access this on laptops/computers: www.numbots.com

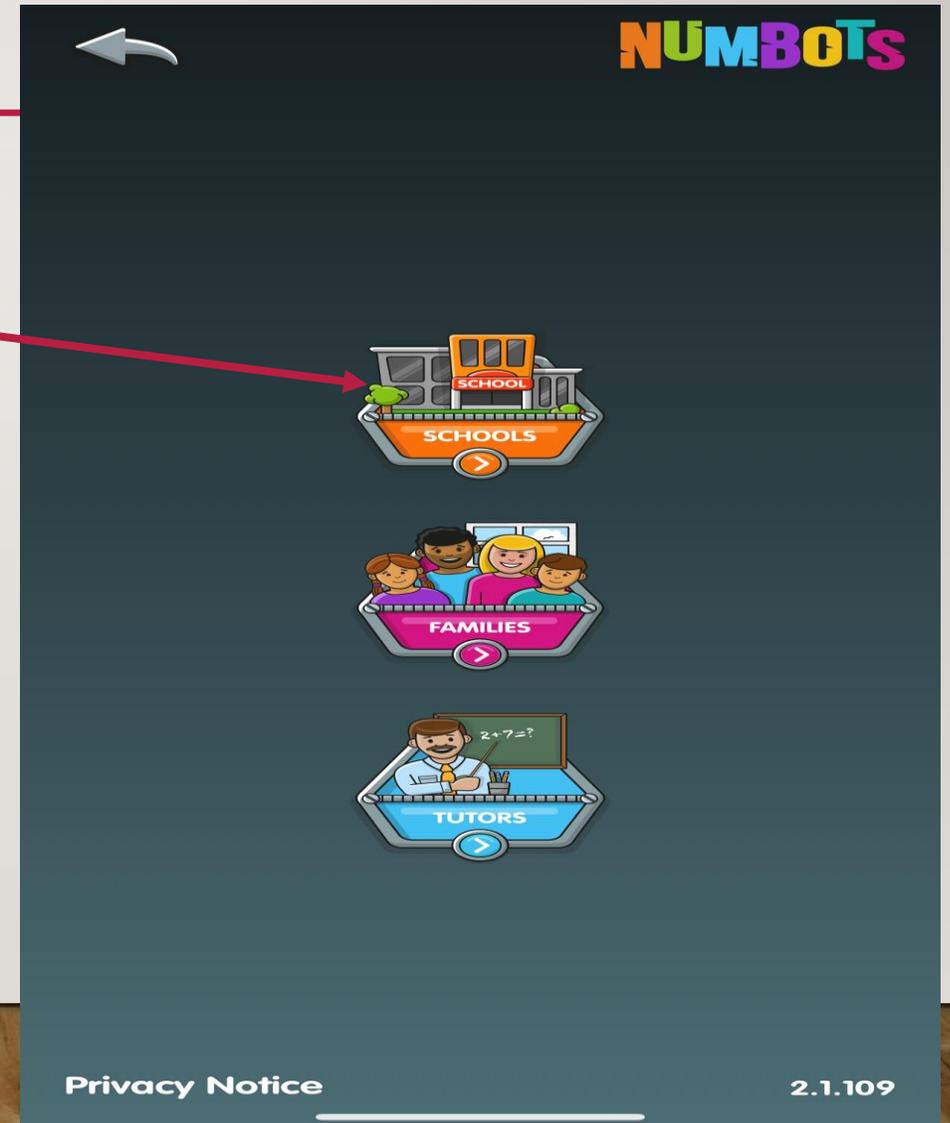

USING NUMBOTS

- Once you've downloaded the app it will ask you to log in.
- Press the log in button

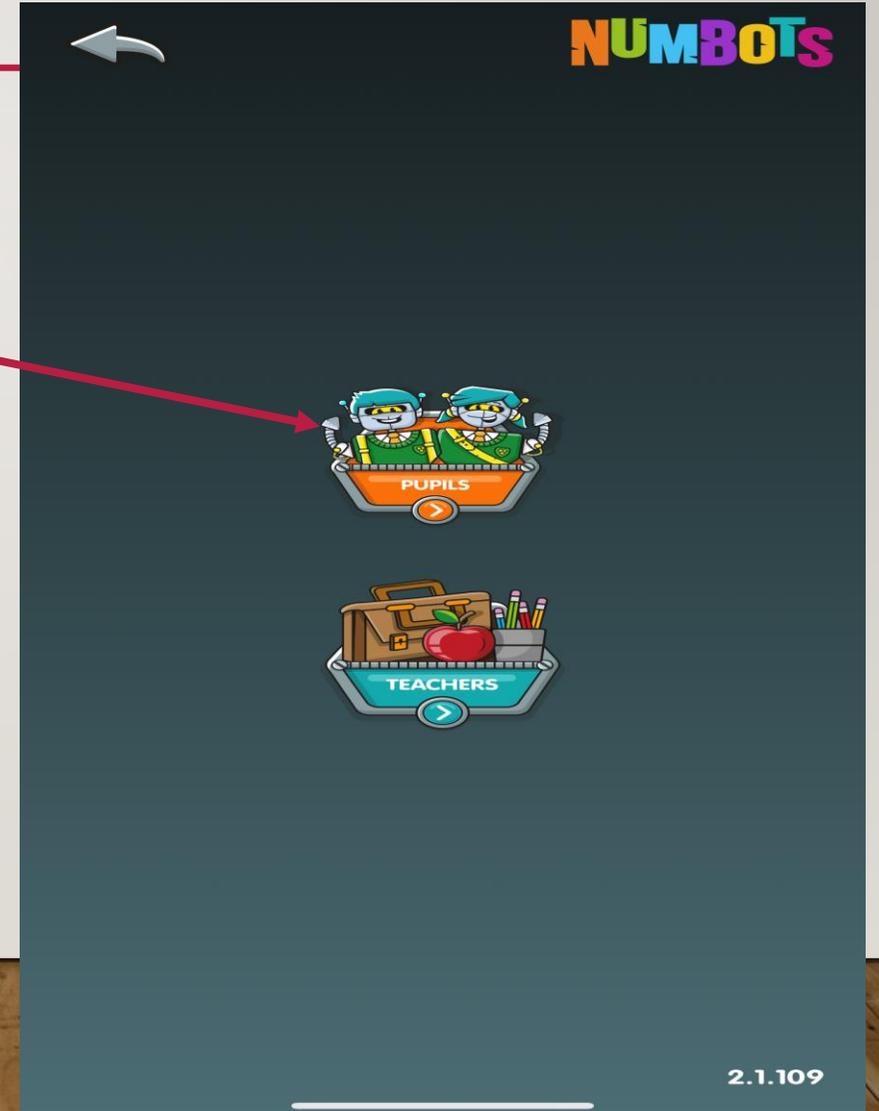

USING NUMBOTS

- Press the “schools” option

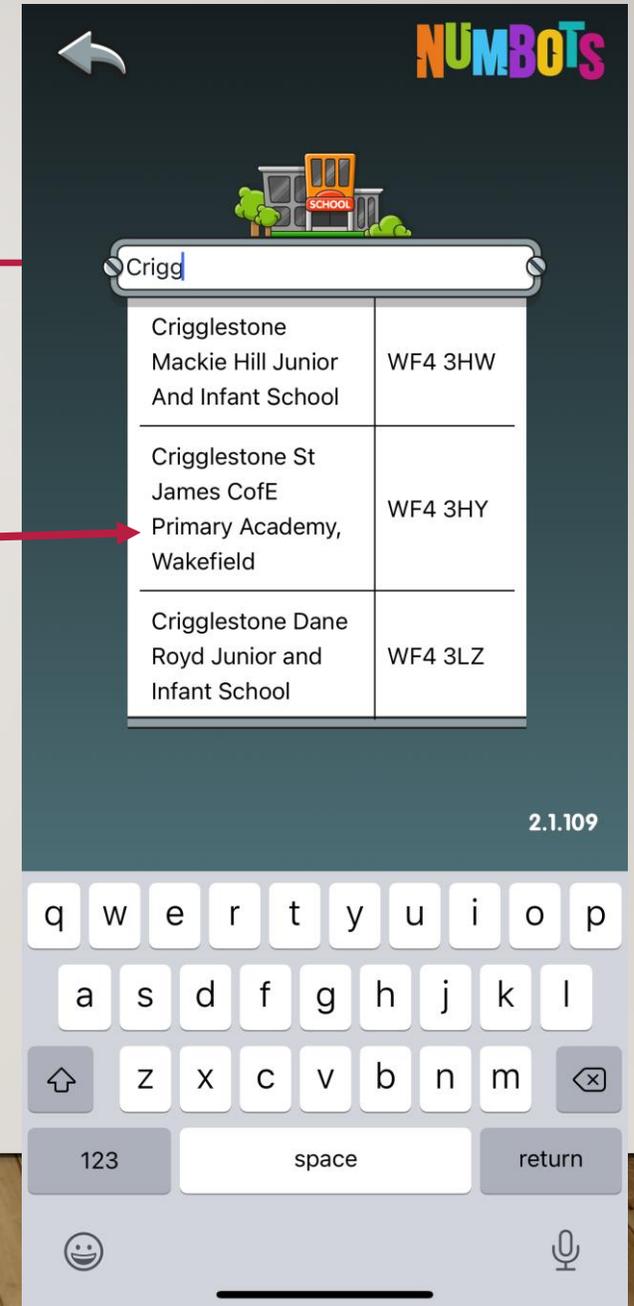

USING NUMBOTS

- Press the “pupils” option

USING NUMBOTS

- It will ask you for school name or postcode
- Type in “Crigglestone St James”
- When the school appears click on this option
- Children might need support with the logging in process

USING NUMBOTS

- Your child will have received their log in details (this will be in their reading log)
- Type in the username (it can be case sensitive)
- Then enter the pin
- Press enter when you've done this to log in
- Please note, the username and pin on the picture is made up and isn't an accessible account

DELETE 0 ENTER

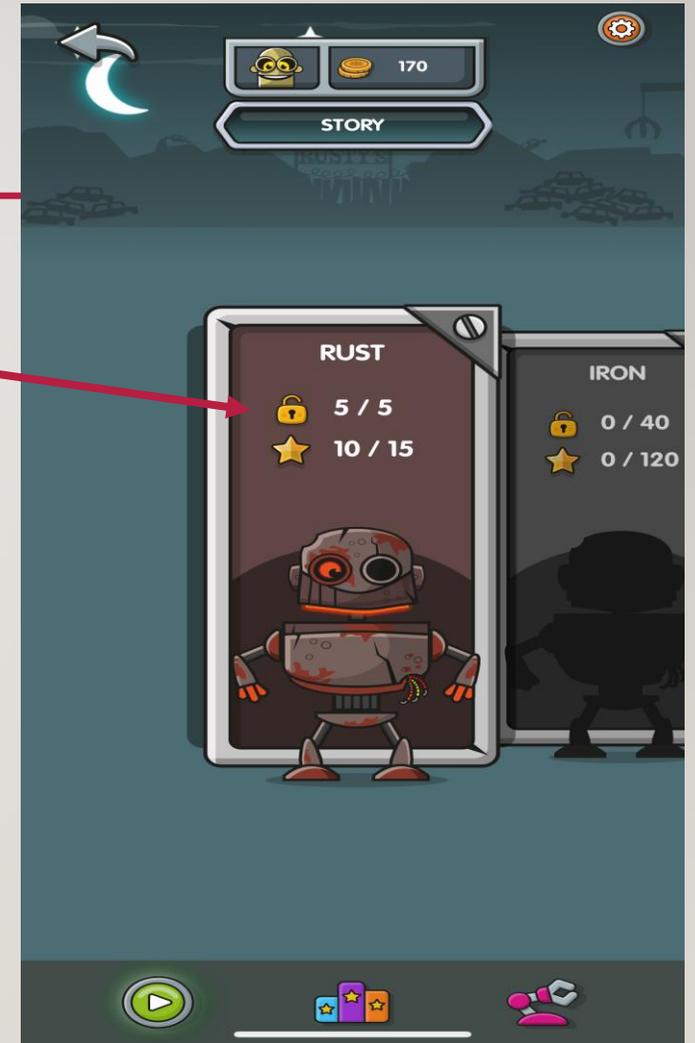

USING NUMBOTS

- Click on “Story” to begin using Numbots
- As you complete the different stages of the story you’ll unlock new levels and the “Challenge” section

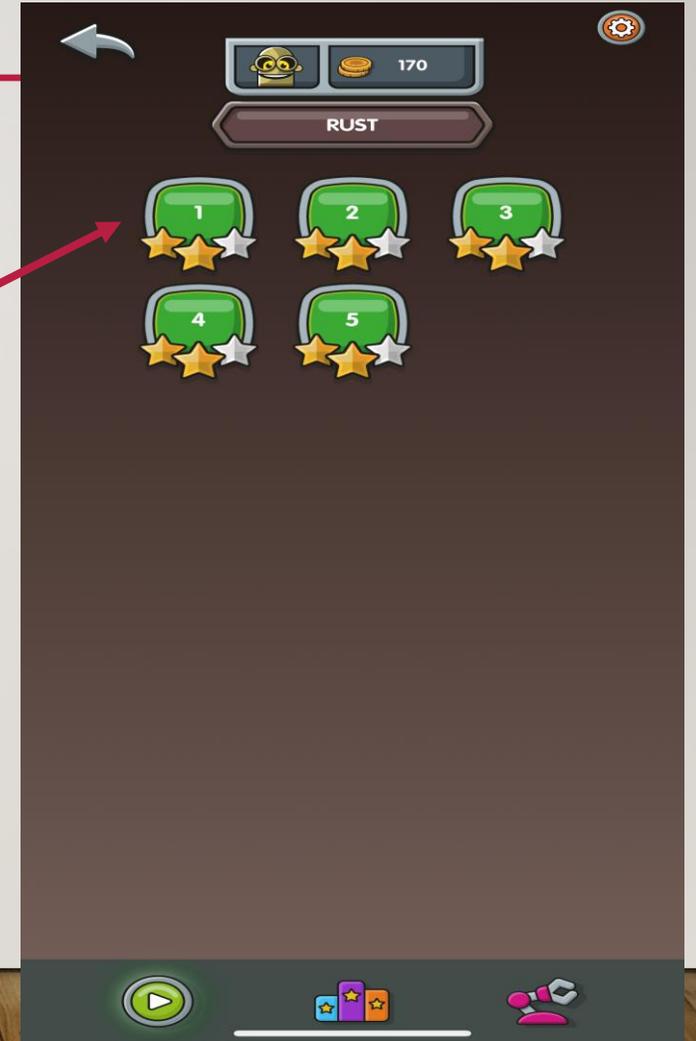

USING NUMBOTS

- The first part of the story is “Rust”
- Click on the icon

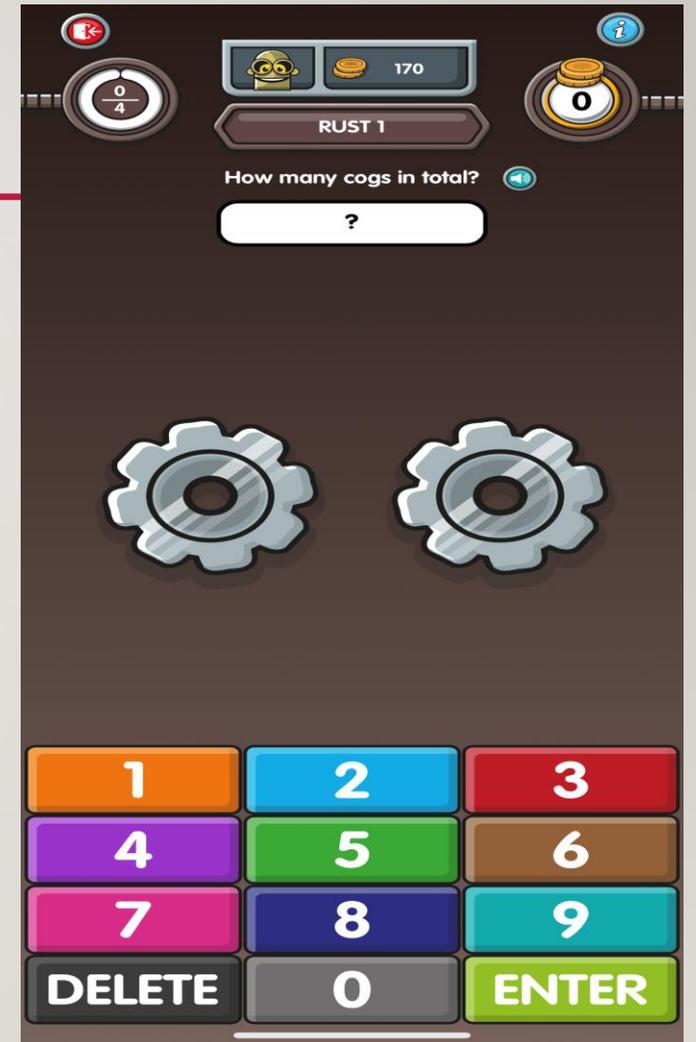

USING NUMBOTS

- There are 5 stage in “Rust”
- In each stage you have to answer 5 questions.
- The more questions you get right, the more coins you win
- Click on Number 1 to start the first challenge

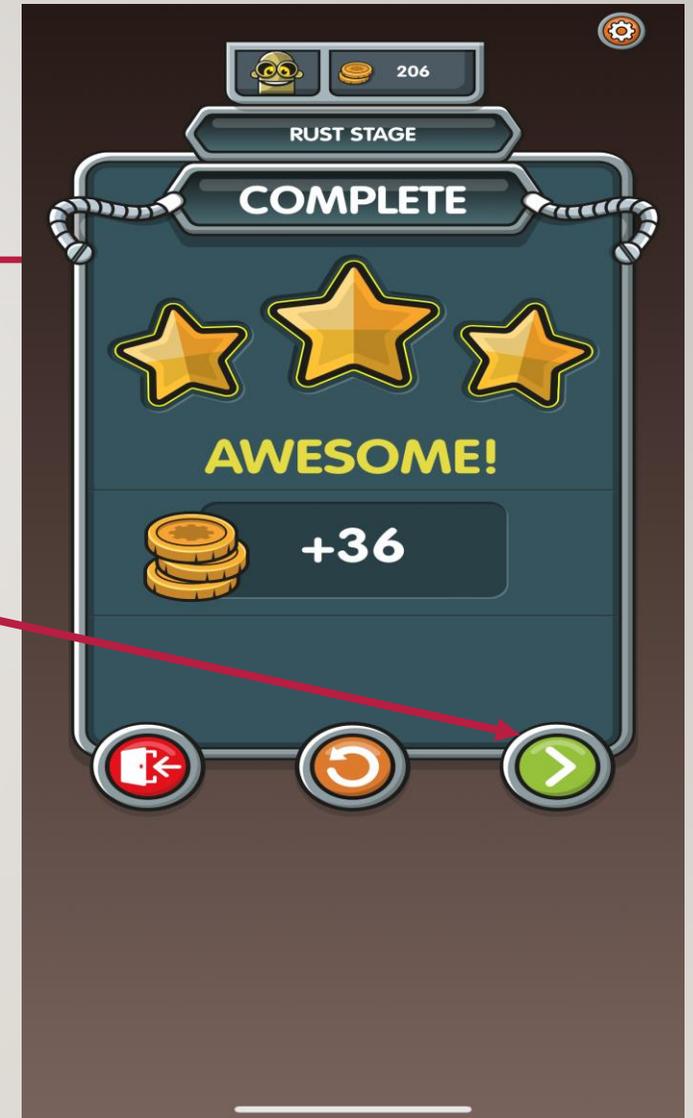

USING NUMBOTS

- Questions include counting objects
- Working out 1 more and 1 less than a given number
- Adding different groups of objects together
- You need to press the numbers and enter to submit your answer

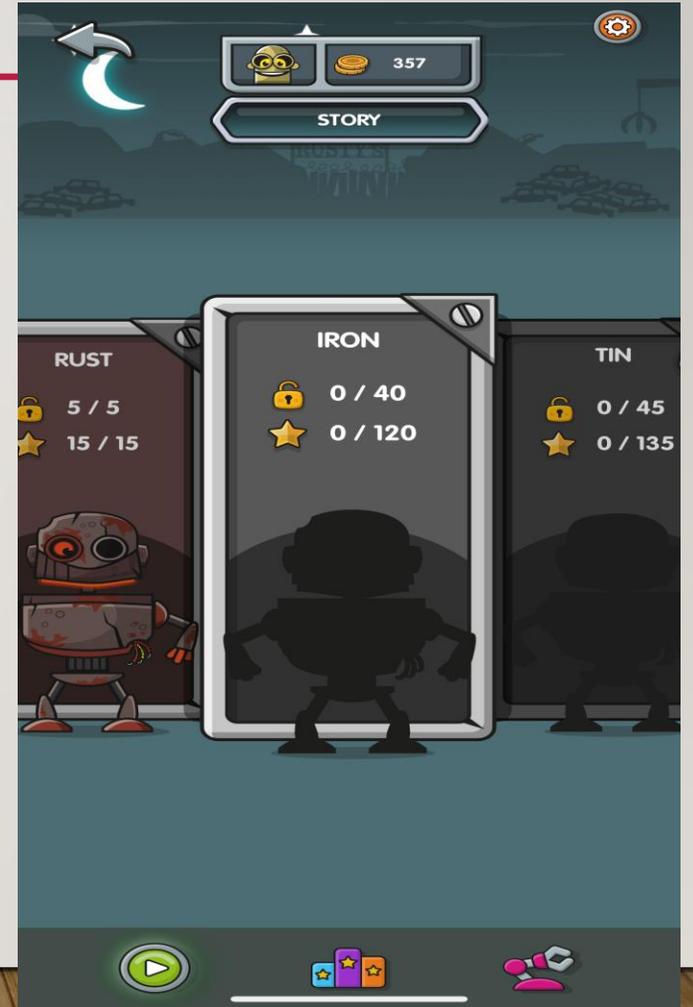

USING NUMBOTS

- Once you've completed the questions, you will be rewarded with stars and coins
- To go to the next stage of questions press the green arrow

USING NUMBOTS

- When you have completed a stage, the next stage unlocks
- There are more stages/questions with a range of difficulties
- The more questions you answer, the more coins you will earn and you can progress onto different levels

QUESTIONS?

- We hope you have lots of fun playing on Numbots
- If you require a log in reset or further assistance please contact Mr Wildey on assistanthead@stjameacademy.co.uk
