Welcome:

LIVING AND LEARNING (CHOIR)

Sun up in the morning,
 Time to get a-moving,
 There's a day for living and there's work to be done.
 Minutes turn to hours,
 Seeds becoming flowers,
 Everything around us is a-moving along.

Chorus

***The earth it keeps turning,
 Everything around us is a-moving along,
 We're living and learning,
 Living and a-learning as the day goes on.***

Getting on together,
 Helping one another,
 Living in the rhythm as we journey on.
 Summer into winter,
 Streams become rivers,
 Everything around us is a-moving along.

Repeat Chorus

Changing and a-growing,
 Coming and a-going,
 Everyone together living under the sun.
 Morning turns to evening,
 Sowing turns to reaping,
 Everything around us is a-moving along

***The earth it keeps turning,
 Everything around us is a-moving along,
 We're living and learning,
 Living and a-learning as the day goes on.***

Repeat Chorus

Repeat verse 1

ALL – DINGLE DANGLE

When all the cows were sleeping
 And the sun had gone to bed
 Up jumped the scarecrow
 And this is what he said

Chorus:

**I'm a dingle, dangle scarecrow
 With a floppy floppy hat
 I can shake my hands like this
 And shake my feet like that**

When all the hens were roosting
 And the moon behind a cloud
 Up jumped the scarecrow
 And shouted very loud

Repeat Chorus

When the dogs were in the kennel
 And the doves were in the loft
 Up jumped the scarecrow
 And whispered very soft

Repeat Chorus

When all the cows were sleeping
 And the sun had gone to bed
 Up jumped the scarecrow
 And this is what he said

Repeat Chorus x2

Reception – What harvest means to them

Class 1 – What harvest means to them

ALL – MY LITTLE SEED

My little seed
 It won't be a weed
 It's going to grow into something big and strong

My little seed
 Will help to feed
 Me and you, once the harvest is done!

Chorus

***And Jesus sees my little seed
 And Jesus knows just where it goes
 Down in the ground,
 With mud all around,
 And Jesus' power helping it to grow***

My little seed
 It's going to need
 The science God has made for it to grow

My little seed
Can only succeed
'Cos our creator runs the show!

Chorus x2
And Jesus sees my little seed
And Jesus knows just where it goes
Down in the ground,
With mud all around,
And Jesus' power helping it to grow

Class 1/2 - What harvest means to them

ALL – CAULIFLOWERS FLUFFY

Cauliflowers fluffy and cabbages green,
Strawberries sweeter than any I've seen.
Beetroot purple and onions white,
All grow steadily day and night.

The apples are ripe, and the plums are red,
The broadbeans are sleeping in the blankety bed.

Blackberries are juicy and rhubarb sour,
Marrows fatt'ning, hour by hour.
Gooseberries hairy and lettuces fat,
Radishes round and runner beans flat.

The apples are ripe, and the plums are red,
The broadbeans are sleeping in the blankety bed.

Orangy carrots and turnips cream,
Reddening tomatoes that used to be green.
Brown potatoes in little heaps,
Down in the darkness where the celery sleeps.

The apples are ripe, and the plums are red,
The broadbeans are sleeping in the blankety bed, yeah!

Class 2 – What harvest means to them

Bible reading – Class 2

ALL – AUTUMN DAYS

Autumn days when the grass is jewelled
And the silk inside a chestnut shell.
Jetplanes meeting in the air to be refuelled.
All these things I love so well

Chorus
So I mustn't forget
No, I mustn't forget.
To say a great big
Thank You
I mustn't forget

Clouds that look like familiar faces
And the winters moon with frosted rings.

Smell of bacon as I fasten up my laces
And the song the milkman sings
So I mustn't forget.....

Whipped-up spray that is rainbow-scattered
And a swallow curving in the sky
Shoes so comfy though they're worn out and they're
battered
And the taste of apple pie.
So I mustn't forget.....

Scent of gardens when the rain's been falling
And a minnow darting down a stream
Picked-up engine that's been stuttering and stalling
And a win for my home team.
So I mustn't forget.....
