All produce will be donated to St Catherine's Church Food Bank, Wakefield

Welcome

ALL – AUTUMN DAYS

Autumn days when the grass is jewelled
And the silk inside a chestnut shell.
Jetplanes meeting in the air to be refuelled.
All these things I love so well

Chorus

***So I mustn't forget
No, I mustn't forget.
To say a great big
Thank You
I mustn't forget***

Clouds that look like familiar faces
And the winters moon with frosted rings.
Smell of bacon as I fasten up my laces
And the song the milkman sings
So I mustn't forget.....

Whipped-up spray that is rainbow-scattered
And a swallow curving in the sky
Shoes so comfy though they're worn out and they're
battered
And the taste of apple pie.
So I mustn't forget.....

Scent of gardens when the rain's been falling
And a minnow darting down a stream
Picked-up engine that's been stuttering and stalling
And a win for my home team.
So I mustn't forget.....

Class 3 – Where does our food come from?

Class 3/4 – How do we grow our food?

ALL – LIVING AND LEARNING

Sun up in the morning,
Time to get a-moving,
There's a day for living and there's work to be done.
Minutes turn to hours,
Seeds becoming flowers,
Everything around us is a-moving along.

Chorus

***The earth it keeps turning,
Everything around us is a-moving along,
We're living and learning,
Living and a-learning as the day goes on.***

Getting on together,
Helping one another,
Living in the rhythm as we journey on.
Summer into winter,
Streams become rivers,
Everything around us is a-moving along.

***The earth it keeps turning,
Everything around us is a-moving along,
We're living and learning,
Living and a-learning as the day goes on.***

Changing and a-growing,
Coming and a-going,
Everyone together living under the sun.
Morning turns to evening,
Sowing turns to reaping,
Everything around us is a-moving along

***The earth it keeps turning,
Everything around us is a-moving along,
We're living and learning,
Living and a-learning as the day goes on.***

Repeat Chorus

then

Repeat verse 1.

Class 4 – How does our food get to the shop?

ALL – LET'S HARVEST

The summer sun is lower in the sky
The leaves on the trees are slowly turning dry
There's a message on the breeze
It says 'it's time; it's time, oh please'

Chorus

***So, let's harvest - reap what we sow
Let's harvest - eat what we grow
So, let's harvest - reap what we sow
Let's harvest - eat what we grow
And when the sun goes down
We'll share it all around***

The fruit trees bend and nod, the time is now
The golden fields are ready for the plough
And when our work is done
Then the autumn comes

So, let's harvest - reap what we sow.....

There'll be apples and pears, damsons and cherries
Plums and grapes, currants and berries
Barley and wheat to make our toast
Nuts and seeds to dry and roast
Carrots and leeks, peas and beans
More potatoes than you've ever seen
We'll make jams and juice, crumbles and pies
Looks so delicious, can't believe our eyes!

***So, let's harvest - reap what we sow
Let's harvest - eat what we grow
So, let's harvest - reap what we sow
Let's harvest - eat what we grow***

***And when the sun goes down
We'll share it all around x 2***

Class 5 – Why do we have a harvest festival?

Class 5/6 – Why do we have food banks?

ALL – CAULIFLOWERS FLUFFY

Cauliflowers fluffy and cabbages green,
Strawberries sweeter than any I've seen.
Beetroot purple and onions white,
All grow steadily day and night.

The apples are ripe, and the plums are red,
The broadbeans are sleeping in the blankety bed.

Blackberries are juicy and rhubarb sour,
Marrows fatt'ning, hour by hour.
Gooseberries hairy and lettuces fat,
Radishes round and runner beans flat.

The apples are ripe, and the plums are red,
The broadbeans are sleeping in the blankety bed.

Orangy carrots and turnips cream,
Reddening tomatoes that used to be green.
Brown potatoes in little heaps,
Down in the darkness where the celery sleeps.

The apples are ripe, and the plums are red,
The broadbeans are sleeping in the blankety bed, yeah!

Class 6 – What is the impact of having food?

All – Harvest Samba

Cabbages and greens, broccoli and beans,
Cauliflower and roasted potatoes, taste so good to me.
Apricots and plums, ripened in the sun,
Oranges and yellow bananas, Good for everyone.

Chorus

***It's another Harvest festival,
when we bring our fruit and vegetables,
'cause we want to share the best of all the***

***good things that we've been given.
It's another opportunity, to be grateful for the
food we eat,
with a Samba celebration to say thank you to
God the father.***

Golden corn and wheat, oats and sugar beet,
fluffy rice and tasty spaghetti, wonderful to eat.
Coffee, cocoa, tea, growing naturally,
Herbs and plants and all kinds of spices, very nice
indeed.

It's another Harvest festival

Thank you for the harvest,
Thank you for the goodness,
For all the fruit and vegetables
And the wonderful things that grow. x2
