

## THIS TERM

As writers we will be...

story tellers, letter writers and report writers. We will spend time focusing on common exceptions words and spelling patterns to help develop our writing.

As readers we will be...

building our comprehension skills and embedding our inference skills. We will become confident with all our sounds so we can easily decode new and unfamiliar words.

As mathematicians we will be....

looking at measures such as time, length and weight. We will also be recapping some important skills we have learnt throughout the year

In religious education we will be....

exploring a unit of work around Islam. Children will learn about the 5 pillars and what they all present.

In worship we will....

exploring key values including 'Koinonia' and 'Thankfulness'

Families can help by.....

practising my times table, hearing me read as much as possible, supporting me to learn all my sounds and spellings.
