

THIS TERM

As writers we will be using Roald Dahl's books, such as 'The Twits' and 'The BFG' to use our skills to produce writing outcomes such as a character description. We will use our Topic (The Terrible Tudors) to inspire our writing aswell.

As readers we will be using books to practise our reading skills, such as using inference to talk about the feelings and emotions of characters; make predictions and give our opinion.

As mathematicians we will be using the Maths Hubs scheme. In Year 3, we will be looking at areas such as length and perimeter, fractions and time. In Year 4, we will be looking at areas such as fractions and decimals; area and shape.

In religious education we will be studying Hinduism, including understanding about the deities.

In worship we will focus on our two Christian values this term which are koinonia and thankfulness.

Families can help by practising times tables and spellings with your child and listening to them read at least once a week.
