

## Miss England

## Who am I?

Hello I'm Miss England!

I will be teaching class 5/6 this year, I have taught year 4 and 6 previously and I have enjoyed every year I have taught. I'm really excited to continue being in year UKS2!

I live at home with my 2 little kittens (Kiko and Winston).

## Likes and Dislikes

For those of you who already know I'm a big Disney fan. You may get annoyed with me referring to and singing Disney songs 24/7.

I absolutely love music; some of my choices of music can be questionable which you will find out (Britney Spears being one of them). I love going to festivals and gigs to see my favourite bands and artists.

I love dancing. I danced from a very young age and I still try find time to dance now. You may find me dancing around the classroom or doing ballet in my living room at home.

My friends and family are a huge part of my life, it's been really difficult not seeing them as much as I would normally during lockdown.

I'm a vegetarian and I love Mexican food! My favourite sweets are 'Haribo Strawbs'.

## What learning you will do next year?

Next year, we are going to be looking at some new wider curriculum 'topics'. When you first return, we will be spending time recapping over previous learning and supporting you back into school routines. We will spend the first half term establishing our class routines and will produce pieces of art around inspiring picture books.

During the second half of Autumn Term, we will study the history of 'The Vikings'; this is an era we haven't looked at previously. In Spring Term, we will be learning about rivers and the water cycle. In Summer Term, we will learn about the history of Ancient Egypt. Throughout the year, there will be theme weeks where we will focus on other areas of the curriculum, such as DT and music.

## Additional comments

I am really excited to be working in class 5/6 with Mrs Treherne, Mrs Bramald, Mrs O'Connor, Mrs Wightman-Smith and Mrs Harding. It's going to be a very full classroom! I am also really excited to be working with Miss Killen, Mrs Joyce and Miss Hirst in UKS2. As well as lots of learning we are going to have lots of fun but, all I ask from my class is that you work hard and show me that you're eager to learn so we can have fun as well.
