

Miss Hirst

Who am I?

Hello, I am Miss Hirst. I will be job-sharing with Mrs Joyce next year and I will be teaching Class 6, which I am extremely excited about. At the start of the week, I will be fulfilling my Assistant Headteacher responsibilities; as well as, spending a morning teaching Class 2. I have worked from Foundation Stage up to Year 6, and I have enjoyed every year I have taught. Next year, I will continue leading maths across school and will lead on behaviour.

I live with my fiancé and we are getting married in July next year.

Likes and interests

I really enjoy all sports, but particularly football and dancing.

For those of you who already know me, I am HUGE Huddersfield Town fan and have had a season ticket for many years. I enjoy going to the matches with many members of my family. I went to my first game when I turned four and have watched them ever since (through the ups and the many downs).

I really enjoy dancing and will often prance around the classroom. From the age of two until eighteen, I danced every week. I particularly enjoyed ballet and modern but I participated in a range of dances. Usually, I lead dance clubs at school for different age groups across school.

Family and friends are an important part of my life. I love spending time with them and enjoy going out for meals (when we are not in Lockdown). I have found it quite tricky not seeing them and not hugging them so I can't wait for things to go back to normal.

What learning you will do next year?

Next year, we are going to be looking at some new wider curriculum 'topics'. When you first return, we will be spending time recapping over previous learning and supporting you back into school routines. We will spend the first half term establishing our class routines and will produce pieces of art around inspiring picture books.

During the second half of Autumn Term, we will study the history of 'The Vikings'; this is an era we haven't looked at previously. In Spring Term, we will be learning about rivers and the water cycle. In Summer Term, we will learn about the history of Ancient Egypt. Throughout the year, there will be theme weeks where we will focus on other areas of the curriculum, such as DT and music.

Additional comments

Last year, I was the Acting Headteacher for this school. I really enjoyed the responsibility and the opportunity; however, I missed teaching. I am really excited to be back in class and I am looking forward to working closely with Mrs Joyce, Mrs Paton and Mrs Lloyd (in Class 6) as well as with Miss Killeen and Miss England in UKS2. All I ask of my class is to try their best and have a desire to learn. As many of you know, I'd say I'm firm, fair and like to make learning fun. I look forward to seeing you in September and I hope you have a lovely summer.
