

Who am I?

Hello! I am Mr Wildey. I have been a teacher at St James since 2014. I taught in Reception for 2 years and I have taught Year 1 for the past 4 years. 2020/2021 is a new adventure for me teaching Year 1/2. I can't wait! I love sports. I am the PE Coordinator in school, I lead the extra-curricular activities and organise competitions for children to participate in. I have been fortunate to live in Spain for a year where I was an English teacher and in 2019, I visited our link school in Tanzania (Ragata). I am very excited to share my experiences with you and teach you new languages and songs!

What learning you will do next year

Autumn Term

We will be going back to the 17th Century to kick start our Wider Curriculum work as we learn about the Great Fire of London

Spring Term

Throughout the Spring Term, we will be learning about the UK and whether holidays in the UK are exciting or boring.

Summer Term

In the Summer Term, we are going to unearth some history and investigate whether anything exciting has ever happened in Yorkshire.

Mr Wildey

Additional comments

I am looking forward to see you all again in September.
I am here to support you all and help you settle back into school.
