

Who am I?

Hi, I am Mrs Butterworth.

I will be the year 2 teacher next. I have taught across all year groups in school but most of my career has been in years 1 and 2. I am also the SENCO in school and I lead on R.E. and Collective Worship.

What learning you will do next year...

We have lots of exciting things to learn about next year. I can't wait for us to get started.

The first half term will focus on a settling into year 2 and connecting as a class. We will be using some wonderful picture books to inspire our wider curriculum work.

In Autumn Term, we will be studying The Great Fire of London. We will investigate how the fire started and the impact it had on London. In Spring Term, we will be studying what the UK has to offer. We will be exploring whether holidays in the UK are as exciting as travelling abroad. In Summer Term, we will be exploring what we can learn from unearthing our past. We will discover what clues can be found underground and understand what they can tell us about the past.

Likes and interests

In my spare time, I love reading fiction books. I think reading is the best thing about school holidays. When I was a little girl my favourite story was 'The Secret Garden' by Frances Burnett.

I spend a lot of my weekends cooking and baking. The meals I enjoy to cook the most roast dinners and curries. I love to bake birthday cakes and my children always want me to bake cookies.

My favourite thing to do is to spend time with my family. Mr Butterworth and I love to go for walks by the sea and in the countryside.

Additional comments

I love to drink lots of cups of tea!
