

What learning will you do next year?

Next year, we are going to be looking at some new wider curriculum 'topics'. When you first return, we will be spending time recapping over previous learning and supporting you back into school routines. We will spend the first half term establishing our class routines and will produce pieces of art around inspiring picture books.

During the second half of Autumn Term, we will study the history of 'The Vikings'; this is an era we haven't looked at previously. In Spring Term, we will be learning about rivers and the water cycle. In Summer Term, we will learn about the history of Ancient Egypt. Throughout the year, there will be theme weeks where we will focus on other areas of the curriculum, such as DT and music.

Mrs Joyce

Who am I?

Hello! I'm Mrs Joyce and I will be one of your class teachers next year ☺ I am so excited to be back teaching in Year 6 as it's my favourite place to be.

As I am sure you will all know, last year I had a baby girl who is called Darcy; she is just adorable and I love being a mummy.

I don't have any pets but I do a 'dog share' and look after my friend's chocolate brown labrador – she is called Tilly. I used to have three chickens, but I will tell you a funny story about them in September...

Likes and interests

In my spare time, I enjoy walking, seeing my friends, doing yoga, watching Netflix, cooking/baking and eating. If you're lucky, I may even bring in some treats I've baked for you to try! When I'm cooking, I like to listen to music – I love all kinds of music and enjoying listening to George Ezra, Green Day, Ed Sheeran, Queen, Justin Bieber and Beyonce.

When I can, I love to read books. Some of my favourites are Wonder, Harry Potter and The Nowhere Emporium.

I like to challenge myself so two years ago, I started learning to play the piano; I go to lessons every week.

Going on holiday is one of my favourite things to do! I have been lucky enough to travel widely but one of my places to go is Scarborough. I can't wait to take Darcy to the seaside so that she can go on the donkeys! I also enjoy going camping and generally, the great outdoors!

Additional comments

I am quite an organised person and I like things to be neat and tidy (unlike Miss Hirst ☺). I love buying anything to do with stationery! I also love candles and will sometimes light them in the classroom when we are doing our writing. You will often find me singing or dancing around the classroom... sorry in advance!

Being a teacher is the best job in the world and I can't wait to get back into the classroom and get to know you all. Year 6 is a fantastic year: we will work very hard, but at the same, have lots of fun! Have a wonderful summer, take care and I will see you in Seotmber!
