

CRIGGLESTONE ST. JAMES CE PRIMARY ACADEMY

Physical Education Rounders Progression Map

‘Ready for the Future’

2020-2021

Physical Education - Intent

At Crigglestone St James Academy, we believe that physical education is vital to pupils' physical, mental, social and emotional development and health. Children at St James are encouraged to reach their full potential in an inclusive and engaging environment which supports and challenges all children. Our aim is for physical education to help children be "Ready for the Future" in all aspects of their life through developing creativity, curiosity and resilience, experiencing leadership and forming social relationships.

We have created an inclusive curriculum developed with The PE Hub and iMoves (which follow the EYFS framework and National Curriculum). Our curriculum allows children to build upon their prior knowledge from past physical education lessons, learn new skills and be confident in applying these skills. Our curriculum is based around six key sporting values: determination, passion, respect, honesty, self belief and teamwork. We give our children a breadth of sporting opportunities within the curriculum, through our lunchtime provision and extra-curricular activities. Children use the sporting values and develop their sporting skills which can lead to representing the school in the intra house and inter school festivals, community festivals, national competitions and other sporting events.

A sports person is more than just excelling in a specific sport. We want our children to understand the importance of leading a healthy lifestyle and know how to take care of themselves both physically and mentally in order to be successful in their future.

Rounders Journey

Reception

Pupils will have used a variety of balls, beanbags and markers to practice throwing and hitting.
Pupils will have practiced rolling a ball to a partner and following a ball.
Pupils will have mastered movements such as walking, running and jumping.

Key Stage 1

Pupils will have experienced different games which have included throwing and catching.
Pupils will have had the opportunity to hit and strike a ball with racquets and bats.
Pupils will have played in simple striking and fielding games.

Lower Key Stage 2

Developed a range of striking, fielding and rounders skills which they can begin to apply in a competitive context.
Choose and use a range of tactics in isolation and also in a game context.
Begin to understand the rules of rounders.

Upper Key Stage 2

Understand how aspects of fitness apply to rounders e.g. power, flexibility and cardiovascular endurance.
To collaborate as part of a team to choose and adapt tactics in a game context.
Apply the rules of rounders consistently in games.
Play small sided games using rounders pitch layout.
